Example:- Employees of MPPGCL attend a training programme at Kolkata arranged by the Institute of Cost Accountant of India, Kolkata where the institute is charging IGST in invoice. In this case supplier of service and place of supply of service both are out of MP therefore no deduction is required to be made in respect of GST TDS.

Rate of Tax

Tax at the rate of one percent each for CGST & SGST or two percent for IGST will be deducted on value of supply from the payment made or credited to the supplier of taxable goods or services or both.

For Computing the contract value of Rs 2.5 lac. value of supply shall be taken as the amount excluding GST. For purpose of deduction of TDS, the value of supply is to be taken as the amount excluding GST indicated on the invoice. This means TDS shall not be made on the CGST, SGST or IGST and compensation cess component of invoice.

Time limit for deposit of Tax and filing return GSTR 7

The tax deducted is to be deposited by 10th of subsequent month and return is also required to be filed by 10th of subsequent month. In case amount is not paid within time limit, interest @ 18% is required to be paid along with the TDS amount in addition to late fees and penalty (if any)

Furnishing of GST TDS Certificate to Supplier

The Company is required to issue TDS certificate to supplier within 5 days of depositing the amount mentioning the Contract Value, rate of deduction, amount deducted, and amount paid.
